## General Terms and Conditions

1. The premium discount (Offer 1) and the Preferential Interest Rate on Future Premium Deposits (Offer 2) (the "Promotions") are applicable to policies issued in Hong Kong and Macau only.
2. InfinityEnrich Wealth Builder 2 (IEW2) offers in limited quota. YF Life Insurance International Ltd. ("the Company") reserves the right to stop accepting applications of the InfinityEnrich Wealth Builder 2 (IEW2) without prior notice.
3. In order for customers to enjoy the Promotions, the insurance application must be submitted and received by the Company between **December 31, 2024 to 5:30pm on March 31, 2025** (the Promotion Period), and the application must be approved, with two years of premiums (i.e., first-year premium and the prepaid second-year premium) and required insurance levy(ies) (applicable only to policies issued in Hong Kong) paid on or before **April 30, 2025**.
4. The premium discount amount will be equal to the annualized premium (which equals to the annual premium for policy with annual payment mode) of each eligible policy multiplied by the applicable premium discount rate for the policy. If the premium discount amount is not an integer, the amount will be rounded off to the nearest two decimal places. The insurance levy will not be applied when calculating the premium discount.
5. The premium discount is offered to each eligible policy; and where a customer has applied for more than one eligible policy, all such eligible policies shall qualify for the premium discount. However, the annualized premiums of these policies will not be aggregated when calculating the premium discount rate.
6. The First-Year premium discount amount will be used to settle the initial premium payment of the first policy year of the eligible policy.
7. Eligible policies must be in force when the premium discount is applied. The policyowner will not be eligible for the premium discount if the approved policy is terminated for any reason, whereupon any unapplied premium discount amount (if applicable) will be forfeited. In case of a premium refund, any part of the premium payments that is offset by the premium discount may under no circumstances be counted as premium paid and will not be included in the refund amount.
8. If the policyowner requests a change in the premium or annualized premium (including but not limited to change of premium mode, reduced sum assured, and change of plan level) for the eligible policy within the first policy year, the First-Year premium discount and premium discount amounts to which the policyowner is entitled will be recalculated based on the revised premium or annualized premium. The Company reserves the right to request the policyowner to pay back the difference between the respective premium discount amounts.
9. The premium discount offers under the Promotions will form part of the policy contract upon the respective policy and/or the respective supplementary benefit (if applicable) being issued if the requirements of the premium discount offers under the terms and conditions of the Promotions are satisfactorily fulfilled.
10. Preferential Interest Rate on Future Premium Deposits refers to the interest rate on future premiums deposited into the Premium Deposits Account ("PDA"). Please refer to your insurance proposal for details.
11. If the approved policy is terminated for any reason other than the death of the Insured, the policyowner will not be eligible for Offer 2, and the remaining balance of the PDA (without interest) will be returned to the policyowner. If there is a withdrawal from the PDA after the policy has been approved, the policyowner will not be eligible for the Promotions. In case of any withdrawal of the balance from the PDA, any remaining balance (without interest) will be returned to the policyowner, and any premium discount amount the policyowner was originally entitled to will be clawed back.
12. The Company reserves the right to accept or reject any application for the insurance plan based on the information provided by the customer as the proposed policyowner and/ or the proposed life insured during the application.
13. For an eligible policy issued in Hong Kong, the insurance levy on the insurance premium to be collected by the Insurance Authority is calculated based on the premium after deducting the premium discount amount.
14. Under no circumstances are the Promotions exchangeable, redeemable for cash, or transferable to others or to other policy(ies).
15. The Company reserves the right to change, terminate or cancel the Promotions and any terms and conditions at any time without prior notice. In case of any dispute, the Company's decision shall be final and conclusive.
